To,

The Chief Secretary to the
Government of Mysore
Bangalore

Sir

I have the honor to state that an Estimate for Rs 56 was sanctioned in Government Proceeding No [illegible] / LF 249-93 dated 4th July last for repairing the Cattle Pound at Sakleshpur whereas the actual out lay on the work was Rs 56-9-10. The Comptroller in his docket No 572 / L F. dated 19th September 1894, intimates to me that Government sanction should be obtained for the Excess outlay of 0-9-10 over the Estimate.

* not traceable

2. In this connection, I beg to state that Estimates are framed on approximate calculation and it is difficult in practice to strictly conform to

to them in all instances, so that in some cases there will be excess in spite of every effort not to exceed. If as is being urged by the Comptroller, Sanction has to be obtained for even so small a sum as the one in question, it will occasion much correspondence It is therefore desirable that the Comptroller should be authorized to accept my Sanction for such excess outlays on works up to a certain limit I Submit Extract of circular memo No 64 dated 28th April 1882 which is in force in the P. W D

3. Under the above circumstances I request you will be good enough to obtain Sanction for the excess outlay in question and also some definite orders for future guidance. —

I have the honor to be
